

GLOBAL PRESENCE

Activities of US and Russian military firms with civilian or military contracts throughout the world, selected

On contract for the US Army in war zones, end of December 2009

- civilian personnel, partly in combat assignments
- regular US military personnel

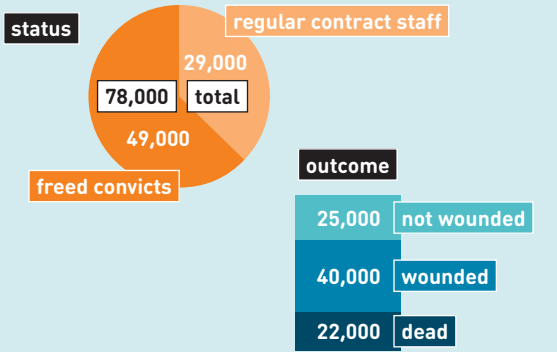

Countries of operation of US military contractor Blackwater and its successors, 2023

Countries of operation of the Russian military firm Wagner, 2023

Wagner's mercenary operations in the Ukraine war until withdrawal in May 2023

Difference between status and outcome presumably due to double counting of not wounded and healed personnel
